Annual gifts that last forever

Alumni who make gifts to Gonzaga University School of Law year after year are invaluable to our daily operations. Those annual gifts, in any amount, add up to provide immense benefit for our students.

Think about how much you give to Gonzaga Law School each year. Do you want your annual support of Gonzaga Law School to continue even after you're gone? It's possible, and it's easy. Here's how:

Say, for example, you give \$1,500 each year to Gonzaga Law School. By bequeathing \$30,000 to the University's endowment, you will ensure that your gifts will continue every year in perpetuity. Assume a 5% annual payout from your gift to the endowment to calculate the corresponding yearly support. The table below illustrates this for several levels of giving.

If your annual gift to Gonzaga Law School is:	It will be sustained perpetually with a bequest of:*
\$500	\$10,000
\$1,000	\$20,000
\$1,500	\$30,000
\$2,500	\$50,000

*based on a 5% endowment payout

With a little bit of planning today, you can make a tremendous difference for tomorrow's students. To learn how you can shape Gonzaga's Law School future with annual gifts in perpetuity, contact our Office of Planned Giving at (800) 388-0881 or plannedgiving@gonzaga.edu.

Antoinette J. Derr (Roe)

Antoinette Derr was born in 1918, and graduated from Gonzaga Law in 1944, becoming one of the first women attorneys in Washington. After raising her six children, she joined her husband, Paul R. Derr in the practice of law. She later joined the firm of Tanksley, Richard, Padden & Derr and in time was joined by her daughter Sara to become the first mother daughter partnership in the state of Washington. Antoinette had a successful practice of contract, real estate, estate, and probate law. She practiced actively for more than fifty years, stopping at the age of 82 when her health interfered with her ability to work.

Lesley Lee
